If the instruments are fitted with radio interference eliminator, full and detailed description of this equipment must be furnished along with the tender.

The firms shall submit with their quotations descriptive literature and full details of the instruments offered.

The firms should quote their best rates for delivery, f.o.r., Bangalore, and also mention the exact date of delivery.

The Chief Electrical Engineer does not bind himself to accept the lowest or any tender, but reserves to himself the right to select any tender as he may consider it expedient to accept.

Withdrawal from the quotation after it is accepted or failure to make the supply within the stipulated time will entail cancellation of the order and the purchase being made at the firm's expense elsewhere.

Supply on this tender will be subject to the general conditions of contract prevailing in the department for local purchases.
